

NEWSLETTER

January 2013

Vol 1

Happy New Year and welcome to our first newsletter of 2013. Here we will continue to keep our members informed on the latest CWSA news. We have just had a new logo created. Hope you like it! Speaking of like, go onto Facebook and “like” our new page.

Mark Your Calendars! Coastal Water Suppliers Association Annual Conference and AGM is scheduled for May 23-25, 2013 in Parksville. We will be offering Operator Training, Administrative Workshops, our Trade Show and the Annual General Meeting. We are just fine tuning our schedule of events and plan to roll out details and open early bird registration for members by the end of February. Stay tuned to our website www.cwsa.net.

Become a member of CWSA. Membership is open to Improvement Districts, Municipalities, Regional Districts, and private water purveyors as full voting members and to consultants, individuals and companies that provide goods or services to the water supply industry as associate non-voting members. Our main goals are to encourage cooperation and information sharing, represent concerns and interests to government, and provide training opportunities. Go to www.cwsa.net to apply.

Another benefit of being a CWSA Member. Our friends at BC One Call are waiving the one time joining fee to all our CWSA Members that wish to join BC One Call. Go to www.cwsa.net for more info.

Want to become a training sponsor? Advertise on our website? Questions regarding becoming a member? Suggestions for training courses? Call us!
